28th February 2018

Dear Parents /Carers

Pre-school and Extended Schools Move

We are writing to let you know that the pre-school will be moving in to the main school from September 2018. You may have noticed that building work has been taking place in the area next to the reception classes. This work has been creating two new rooms for the pre- school along with a new kitchen area. Over the summer a new canopy will be built to provide a covered outside learning area and a separate outside play area.

We are very excited about this move as it will mean that the pre-school becomes an integral part of the school allowing closer liaison and work with the Reception team. This will allow for easier transition for the children too. Otherwise there will be no change in how the pre-school works. The extended school provision will all take place in the pre-school building from September - this will be a much more inviting environment for breakfast club.

If you have any questions please speak to Mrs Green, Mrs Edmond or myself.

Yours sincerely,

Mrs S. Pritchard
Executive Headteacher
