Ready, Respectful, Safe

Dear Parents / Carers,

The children loved coming in their slippers today and, I must admit, so did I! Thank you for the donations you made for Age UK. Similarly, thank you so much for your harvest donations. The table was spilling over with produce and the food bank was really pleased to receive the goods.

This week, we announced the new Year 6 House Captains and they are all super excited about helping their teams to win the house cup each week! They will be organising events throughout the year.

We have seen a significant rise in the number of positive Covid-19 cases which is why I wrote to you earlier in the week. At the moment, we are putting class assemblies / productions / face-to-face sessions on hold. Should the rates of transmission drop in the New Year, we will reinstate the events at a later date.

A big well done to Rosie M. for being awarded 'student of the month' in her Tang Soo Do classes and to Harrison W. for completing the Summer Reading Challenge. If your child has any achievements that you would like us to share, please let me know.

Have a lovely weekend!

Mrs. Coates

Virtual Author Visit

Year 4 participated in a virtual school visit with Aaron Becker. He's the author of the books Journey, Quest and Return that we are looking at in English this half term. He talked through how he got his idea, the process of creating the books and then getting them published. He also explained how he used to make his own books when he was little and showed some examples of them. The children loved watching it and we will be making some of our own books over the forthcoming weeks.
