Week ending: 05.02.21

Dear Parents / Carers,

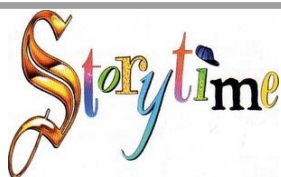

This week the Year 6 team had training with Commando Joe's. We were lucky enough to have this initiative funded through the Opportunity Area. Commando Joe's is a long-running programme that looks to build upon the character curriculum within the school. Its motto RESPECT covers different character traits and the children undertake missions to develop their skills accordingly. As we are part of the programme, we can have free access to their parental programme. They are offering families three months of free access to their portal which has lots of different activities to engage children in their learning at home. You don't need special equipment—just a willingness to have fun! Here is the free link: <https://commandojoes.co.uk/product/cjsfreehomelearning/>

Linked to the word respect, I wonder if I could remind parents not to swear on school site. We have had a couple of incidents recently of foul language being used and I would like this to stop as other parents and children should not be subjected to this.

I hope that you have enjoyed the additional assemblies this week focusing on children's mental health.

Have a nice weekend.

Mrs. Coates

We now have a webpage called 'story time' where we will be adding videos of staff reading stories. Please do check it out. New stories will be added each week.

## Children's Mental Health Week

This week children in school and at home have taken part in Children's Mental Health week. Children have focussed on expressing themselves in their favourite ways including singing, dancing, cooking and colouring. The children understand the importance of spending time doing the things they love and how positive this can make them feel. A fabulous week all round.

Please send in photographs of any pieces of work for our 'Express Yourself' display linked to Children's Mental Health week. These might be linked to class themes or something else entirely! I would love to have pieces from across the school on display.

Thank you to those who have already sent them to me.

## Headteacher's Challenge - Week 5

Dear Children,

Well done to those of you who completed last week's word challenge. I hope you had fun listening to lots of different types of music.

This week's challenge is all about Lego. You may wish to use this challenge during half-term as well.

All of the challenges can also be found on our learning wall.

## LEGO Challenge

Here are some challenges that you complete this week and beyond!

Make the largest rocket you can.	Create a shipwreck scene.	Create the school logo.
Design the best alien and / or spaceship.	Dr. Who requests that you build a new Tardis!	Make a self-portrait.
Build a house using only one colour of bricks.	Build a boat.	Use the bricks to make the best domino run.
Create your own family flag.	Can you create a maze?	Recreate a room in your house.
Can you build a castle?	Make the word 'Kingsfield' out of bricks.	Make the best vehicle that you can.

### Did you know...

Children need to complete ten studio games to be given a rock status and be in with a chance of making the top ten.

### Chatty Wednesdays

This week Year 5 teachers trialled Chatty Wednesdays with their class using Zoom. It worked really well and children and parents said that it was a nice experience. Therefore, we are intending to roll it out and the opportunity for a live session with the teacher will take place each Wednesday (term time only). Please see times below, links will be sent out on the day:

9.00 – RHM	9.30 – RCE
10.00 – 1P	10.30 – 1G
11.00 – 2Ru	11.30 – 2Re
1.00 – 3T	1.30 – 3L
2.00 – 4P	1.00 – 4C
2.30 – 5D	9.00 – 5T
9.30 – 6L	1.00 – 6C

**Please do not share the link  
with anyone else.**

### Daily Reading

Don't forget that children should still be reading daily. To help you with this, we have set up the reading record element of Purple Mash. This week you should have received a letter on how to access this.

Please let us know if you need any further work or advice.

**Week ending: 29.01.21**

We are trying to keep up with the images being sent in so please look on the learning wall as well as here for an extended gallery.

## French Work

As a part of our topic 'Festivals and Dates', children in Year 4 learned about celebrations, special days and gifts that can be offered on some on these days. Some completed a challenge that consisted of drawing and labelling gifts that they would like to receive on three different occasions. Well done for showing such creativity!
