Ready, Respectful, Safe

Dear Parents / Carers,

This week children in Year 5 have enjoyed a History Off The Page event celebrating their learning on Ancient Greece. We have also worked with children on a range of diversity activities linked to anti-bullying week and celebrated Children In Need.

On Monday, we welcomed Mrs. Parkes (Assistant Director for Education) to the school as she was really interested in our approach to supporting children's special educational needs and the new provisions that are in place.

Linked to identifying children's needs, we have undertaken a school-wide survey to find out how students feel about being in school. Pupil voice has also been heard in the School Parliament led by Mrs. Culyer and in focused lessons this term. We hope to be able to change some of Kingsfield's practice as a result.

Have a great weekend!

Rugby

On Friday 12th November, we entered the annual Fenland Tag Rugby Competition. It was a very exciting morning and the children who represented the school were amazing! They demonstrated great skill; making some thrilling runs and dodges. Their team spirit and ethos made me feel incredibly proud and honoured to be part of Kingsfield. The children tried their best and all their hard work paid off as it was announced that we came second! A huge congratulations to all the children for giving 100% and showing such great 'Sporting Spirit.'

GO TEAM KINGSFIELD!!!

I was so happy with my wife and all was peaceful and we spent most of our time together. My wife always cooked the best dinner that we ate in enjoyment.

Now I cook dinner and at least I have a wedding ring to remember her. I always try to cook as well as her, which is impossible as she always said it was a special gift there.

Dear Diary

Today was my 9th birthday! It was a birthday I will never forget. When I got up the first in the morning, Mum told me I was going to be evacuated. Whatever that meant. I thought we were going on a birthday trip. We went outside with my friends where we saw these large red coaches. Mum and other adults gave us these cardboard boxes and in all of them were these funny masks that we made funny noises with. There we were on the coaches singing, laughing and enjoying it. Then, as we went, off the coach and on the train, which was really excited as it was my first time on a train! All of a sudden, the train stopped. Lots of weird people came and started saying things like 'oh, I want him'. Eventually, all of
