Ready, Respectful, Safe

Dear Parents / Carers,

I cannot believe that we have already finished the Autumn Term—it has flown by! This newsletter is a celebratory one so I hope you enjoy seeing the achievements of your children.

Alongside this newsletter you will have received an email that has both user name and password to login to our website (under children_Christmas_songs). When you login, we hope that technology is working and that your child's class / year group song is there for your enjoyment. Without being able to facilitate full Christmas productions, we thought this was a nice alternative.

Sorry to be discussing next term already but I wanted to give you advanced warning that we will be looking at school uniform and ensuring that the appropriate clothing is worn. Children who wear the older sized clothes should now be able to get the correct uniform through our new provider. We are going to have a ban on hoodies except on days when children are due to have PE. It would be great if you could support us with this as some parents have asked for the rules to be tightened and we can only do this together.

In January, I think that our current measures will still be in place for dealing with the pandemic. If there are any changes due to the Christmas period / increased cases, we will let you know as soon as any DfE guidance has been issued.

On behalf of all of the staff, have a wonderful Christmas and thank you for your support this year.

Happy 2021 too - hope that it resembles some sort of 'normality' for you all!

Mrs. Coates

Sport Clubs

In January we would like to start after school clubs once again. With Covid-19 still at large we do need to keep to year group bubbles so we will only be able to run the sessions if a minimum of ten students sign up to each club.

Premier Sport will be sending their offer to Mrs. Coates over the Christmas period and, as soon as we have the information, we will get a Parentmail out you about the potential provision.

If you used Premier Sports before the first lockdown, you may find that there is credit on your account for sessions which had to be cancelled.

Here are this week's children who have achieved their pen licence for showing consistently high presentation of their work.

Christmas Cards / Online Safety

It has come to our attention that some children have received Christmas cards that have included unpleasant content. Despite significant investigative work, we have been unable to find the person who sent the cards. Part of the investigation led us to believe that the content was related to Fortnite. It seems that a large majority of children from Year 3 upwards are playing this game on a regular basis.

Please can we remind parents / carers that Fortnite, and games like this, have an age rating and are not appropriate for primary children. The websites listed below explain the age ratings and support parents with adding additional controls and the such like:

<https://www.esrb.org/tools-for-parents/>

<https://www.internetmatters.org/resources/video-games-age-ratings-explained/>

In the New Year, we will undertake additional work with the children looking at online safety.
